Illinois Commerce Commission  
RAIL SAFETY SECTION

Iowa, Chicago and Eastern Railroad Corporation and the  
State of Illinois, Department of Transportation.

T05-0017

Stipulated agreement regarding improving public safety by  
renewal of the existing crossbuck signs and installation of  
YIELD signs at each of the Company's public highway-  
railroad grade crossings listed on Exhibit A attached hereto,  
except at the two (2) crossings currently equipped with  
STOP signs. Said excepted crossings should have  
crossbuck renewal only.

SUPPLEMENTAL PETITION

1. Respondent, IOWA, CHICAGO & EASTERN RAILROAD CORPORATION, "Railroad",  
operates a single main line track in a generally east to west direction, "Track", through the  
Counties of Kane, DeKalb, Ogle, Carroll and Winnebago within the State of Illinois.
2. The original Order required the work to be accomplished by January 6, 2006. Man power  
shortages and the completion of previous project has been such that we have not been able to  
complete the replacement of the existing crossbuck signs and installation of YIELD signs at  
each of the Company's public highway-railroad grade crossings listed on Exhibit A of the  
original agreement. Therefore the Railroad is asking for a 60-Day extension of time on the  
Order to complete this project on or before October 31, 2006.

The Iowa, Chicago & Eastern Railroad asks that the Illinois Commerce Commission respectfully  
consider this request as reasonable and allow the 90-day extension.

Respectfully Submitted,

IOWA, CHICAGO & EASTERN RAILROAD
